About Our Plan

CommuniCare Advantage is a Medicare Advantage HMO Institutional Special Needs plan (I-SNP) with a Medicare contract. CommuniCare Advantage Institutional Special Needs Plan has been approved by the Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until 2022 based on a review of CommuniCare Advantage's Model of Care.

To join our plan you must be entitled to Medicare Part A and enrolled in Medicare Part B, be a United States citizen (or lawfully present in the United States), live within our service area, and have lived in a nursing facility or be expected to reside in a nursing facility for 90 or more days.

Our service area includes the states, counties, and centers listed in Appendix A.

CommuniCare Advantage I-SNP has a network of doctors, hospitals, pharmacies, and other types of providers. If you use providers or pharmacies that are not part of our network, the Plan may not pay for these services.

To find out more about which providers are in our network, please go to www.communicare-advantage.com. You will also find a link to our Drug List to see what drugs are covered, any restrictions, and your options for purchasing.

Plan Premiums and Costs

You pay no premium for healthcare services and a small monthly premium for prescription drugs. In addition, you must continue to pay your Part B premiums.

As a member of CommuniCare Advantage, the maximum out-of-pocket amount you have to pay for innetwork covered Medicare Part A and Part B services in 2021 is \$7,550. If you reach the maximum out-of-pocket amount, you will not have to pay any out-of-pocket costs for the rest of the year for innetwork covered Part A and Part B services (although you still continue to pay your premium).

Understanding the Benefits

- □ Review the full list of benefits in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.communicare-advantage.com or call 1-855-969-5861 to view a copy of the EOC.
- □ Review the Provider Directory (or ask your doctor) to make sure that the providers you see now are in the network. If they are not listed, it means you will likely have to select a new provider.
- Review the Pharmacy Directory to make sure that the pharmacy you use for prescription medicine is in the network. If they are not listed, call Member Services to make sure your provider is in network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- □ This is an institutional special needs plan (I-SNP). Your ability to enroll is based on having lived in a nursing home or other institution or the expectation that you will live in a nursing home for 90 or more days.
- In addition to your Plan premium, you must continue to pay your Medicare Part B premium unless your Part B premium is pad for you by Medicaid or another party. The Part B premium is normally taken out of your Social Security check each month.
- □ Benefits, premiums and cost-sharing may change on January 1 of each year.
- Except in emergency or urgent situations, or if you are new to our plan, we do not cover out-of-network providers. When you are new to our plan, we will cover important care for a limited period of time (no more than 90 days) until your services can be moved to an in-network doctor or provider.
